

CAPITAL A INVESTMENT PARTNERS – PRIVATE EQUITY INTERNSHIP

Are you looking to gain valuable working experience during or after your academic career? Capital A Investment Partners is offering an internship to a highly motivated young potential with strong academic background, a strong interest in investing and strategy combined with an analytical mindset. As an intern, you will be able to develop yourself in a challenging environment being part of an experienced team of investment professionals.

ABOUT CAPITAL A

Capital A is an independently managed private equity firm with a history tracing back to 1982. Our investment team has established a longstanding track record as partnering shareholder in supporting (management teams of) companies in realising their ambitions. The team of Capital A was responsible for midmarket private equity within ABN AMRO and is formerly known as ABN AMRO Participaties. We invest in companies in the Benelux that have a strong growth outlook (whether autonomous or acquisitive). Our investments mainly consists of large minority or small majority stakes – we always emphasise partnerships with our management teams. The current investment portfolio consists of over 30 growth businesses. We do not have a specific focus regarding business sectors as growth and entrepreneurship are the most important criteria for us. It is our mission to work closely with all our management teams in order to realise the next growth phase of a company.

JOB DESCRIPTION

You will be given the opportunity to work alongside the investment team on the assessment of potential investment opportunities and portfolio management. As an intern, you will mainly focus on:

- Screen and evaluate investment opportunities
- Evaluate the financial performance of these opportunities
- Assist the team on ongoing due diligence
- Conduct market research and screen potentially attractive sectors
- Prepare presentations for internal and external use
- Support the team in the management of current portfolio companies

SKILLS AND EXPERIENCE WE ARE LOOKING FOR

- You are currently enrolled in a master course with an analytical and financial focus or have recently graduated
- You have shown excellent performance in your academic or extra-curricular track record
- You are fluent in Dutch and English with a proficiency in French
- You have a high level of motivation and a strong interest in strategy and corporate finance
- You have previous internship experience in investment banking/M&A, strategy consulting, private equity and/or transaction services

We offer a 4–6 months internship opportunity in our Antwerp office. If you are interested, please send your CV, cover letter and your availability to Robin Janssens (robin.janssens@capitalapartners.be). We are looking forward to meet you!
